

ACROW GALVANIZING LTD

About us

Located in Haverhill, Acrow Galvanizing Ltd offers regular collection and delivery services throughout Suffolk, Norfolk, Cambridgeshire, Hertfordshire, London, Bedfordshire, Northamptonshire, Essex and Buckinghamshire. We also offer you excellent customer service and quality. Our experienced team is always on hand to provide free advice about your galvanizing requirements.

Acrow Galvanizing Ltd is part of Wedge Group Galvanizing Ltd, the UK's largest hot dip galvanizing organisation. The Group can process anything from a 1.5mm washer to a 29 metre beam. Our continuing investment in new technology and equipment, together with our commitment to customer care ensures that we offer you 'Excellence in Galvanizing'.

Benefits of Galvanizing

Galvanizing has long been seen as the most environmentally-friendly finish available to prevent corrosion. The coating is highly sustainable and produces minimal waste. Depending on the environment where it is used, galvanizing can give you an expected maintenance free life of 40 years or more.
